

Thurrock Early Years, Childcare, Play and Youth Work Recruitment Register

RE: Application Form

The Thurrock Early Years, Children, Education and Families directorate, have established a register for people seeking work within early years, childcare, play and youth work sectors. ***This function of the register is as a provider of information only.***

All job vacancies are posted directly onto www.askthurrock.org.uk. Notifications will be sent to you via email or text messaging when they are posted onto the website. You are then free to view and decide if you want to apply for the job position, in which case, you would contact the potential employer directly yourself. The positions offered will vary enormously, from paid or voluntary work to short term or permanent positions.

If you would like to be included on the Early Years, Childcare, Play and Youth Work Register, please complete and return form below.
