

Healthy Thurrock Alliance Independence Strategy - IT Project

Volunteer Facilitator Agreement

This agreement is between the Healthy Thurrock Alliance's Independence Strategy IT Project Team (the Team) and the Volunteer Facilitator (the Volunteer).

The Volunteer recognises and agrees that the format and content of the delivery of the service, advertised as "Free, friendly taster computer sessions for Older People" including the material offered within each session shall remain the intellectual property and copyright, where not already copyrighted by third party suppliers, of the Team and will not be copied delivered sold or in any way offered to other similar groups whether in private or public without the permission of the Team.
