## Community Right to Bid

The Community Right to Bid – introduced as part of the Localism Act 2011 – enables certain local voluntary and community organisations to nominate local land or buildings to be included on our list of assets of community value. This entitles them to bid for that asset if it comes up for sale after it has been listed.

To help you with your nomination for listing we have provided a summary of the relevant information for you at [Thurrock Council – Bidding for assets of community value](#).

If you would like to find out more about the definitions used or the national process in place, please read the guidance at [MyCommunity.org.uk – community asset transfer](#).

In line with government guidance for the Community Right to Bid, we respond to all submissions of an 'expression of interest' within 8 weeks of receipt.

The response will clearly outline the judgement to accept or reject your application and the next steps that should be taken.

The assessor will follow an evaluation procedure created in line with guidance issued by the government to make sure this is a fair and transparent process.

For your application to have the best chance of success, please complete this form in as much detail as possible, using additional pages where needed.
