

## **Part 5 – Protocol for recording of Council, Cabinet, Committee and Sub-Committee meetings**

### **1. Introduction**

- 1.1 For the purpose of making committees easily accessible and following recent technological advances, the Council has agreed to mandate its meetings, together with those of the Cabinet, Committees and Sub-Committees to be the subject of audio visual recording for transmission and publication on the Council's website.
- 1.2 This protocol has been produced to assist the conduct of the recording of meetings and to ensure that in doing so the Council is compliant with its obligations under the Data Protection Act 1998 and the Human Rights Act 1998. Accordingly, the following will apply to all meetings to be recorded by the Council.

### **2. Main provisions**

- 2.1 The Chair of the meeting may request that any part of a recording may not be published to the Council's website if, in their opinion, the recording would prejudice the proceedings of the meeting for the following reasons.
  - (i) Public disturbance or other suspension of the meeting
  - (ii) Exclusion of public and press being proposed and agreed by the Council, the Cabinet, a Committee or Sub-Committee
  - (iii) Any other reason proposed, seconded and supported by the Council, the Cabinet, a Committee or Sub-Committee and recorded in the Minutes of the meeting.

In such circumstances, Democratic Services will stop the recording prior to publication to the Internet, as directed by the Chair and recorded in the Minutes of the meeting.

- 2.2 The proceedings of exempt or confidential agenda items may be recorded but shall not be published to the Council's website. Any such recordings will be held securely by Democratic Services.
- 2.3 Subject to paragraph 2.4 below, all recordings will be available on the Council's website for a minimum of 12 months from the date of the meeting.
- 2.4 Archived recordings, or parts thereof, shall only be removed from the Council's website if the Monitoring Officer considers that it is necessary because all or part of the content of the webcast is or is likely to be in breach of any statutory provision or common law doctrine, for example Data Protection and Human Rights legislation or provisions relating to confidential or exempt information.

If the Monitoring Officer has decided to take such action, they must notify all Members in writing of their decision and include the reasons for this as soon as possible. The Council anticipates that the need to exercise the power set out above will occur only on an exceptional basis.

- 2.5 Any Member who is concerned about any recording that has been made, including any that have not already been published on the Council's website, should raise their concerns with the Monitoring Officer or in their absence, the Deputy Monitoring Officer.
- 2.6 Any concerns raised by a Member or a member of the public in respect of an audio recording being taken at a particular meeting should be brought to the attention of the Chair or a member of Democratic Services in attendance at the meeting.

### 3. Agenda and Signage at Meetings

- 3.1 On each Agenda for a meeting, and on signs to be displayed inside and outside the Council Chamber and each of the committee rooms, there will be the following notice.

## **5. Conduct of Meetings**

- 5.1 At the start of each meeting to be recorded, an announcement will be made to the effect that the meeting is being recorded and that the Chair may also terminate or suspend the recording of the meeting, in accordance with this protocol.

This will be confirmed by the Chair making the following statement or one to like effect:

*"I would like to remind everyone present that this meeting will be recorded for publication on the Council's website and will normally be available within 3 working days of the meeting."*
