Volunteer convictions

We are committed to engaging new volunteers from all parts of the community, whilst recognising that the safety of everyone involved with the organisation is essential.

Some volunteer roles will place you in contact with vulnerable adults and children, whilst others will not. Those that do will require a Disclosure and Barring Service (DBS) check. We state at the end of each volunteer role description whether or not a DBS check will be required.

Having a criminal conviction does not automatically prevent you from volunteering. We consider information sensitively in line with the law, best practice and our own standards.

The information you provide will be treated as strictly confidential and will be considered only in relation to the voluntary position for which you are applying.

Do you have any convictions for criminal offences? Yes No

If 'Yes', complete section A or section B

Section A: for roles with regular access to vulnerable adults or children

The law allows us to ask about all convictions, spent and unspent, no matter what they were for or how long ago they took place.

I confirm that I have no spent or unspent convictions, cautions or reprimands, either in the UK or elsewhere

I have spent and/or unspent convictions, cautions or reprimands – details given below

Offence	Date of conviction, caution or reprimand	Penalty

Section B: for roles with no regular access to vulnerable adults or children

The law only allows us to ask about current unspent convictions.

I confirm that I have no unspent convictions, either in the UK or elsewhere

I have unspent convictions – details given below

Offence	Date of conviction	Penalty

I confirm the above information is accurate, to the best of my knowledge. I understand that failure to provide the information requested above will be viewed as a serious matter. I understand that if I become a volunteer, I must tell the council of any convictions recorded against me in the future

Signed: _____ Date: _____

If section A has been completed, it is also our policy to confirm the information by requesting a Disclosure and Barring Service (DBS) check, or equivalent, from the relevant authority. This process will take place in accordance with the law.

Declaration

I confirm the information given in this application is correct to the best of my knowledge. I accept that if I give false information I will not be allowed to continue volunteering for Thurrock Council.

I understand that this information will be kept in accordance with data protection legislation. I confirm I have read and understood the terms that explain how my information may be used.

What happens next

Your application will be sent to the volunteer manager for the role for which you have applied on the nearest Tuesday. They will contact you to arrange an informal chat, and may ask you to bring identification documents. If you and the volunteer manager agree you would like to continue with the application, we will send for:

- 2 references, using the referee details you have provided on this form
- identification documents, if not previously shown during your informal chat
- Disclosure and Barring Service (DBS) check, if required for the role

You may be asked to carry out a trial volunteer session or training whilst waiting for these checks to be returned. Once complete, the volunteer manager will contact you to agree a start date and ask you to sign a volunteer agreement – you can then begin your volunteer role.
