Section 14 – sharing information agreement – you must complete this section

In order to fully understand your situation, it will be essential to discuss with some other agencies and people what they know about you. We will only ask them about matters that concern your health and care needs. This could include your financial circumstances if this is affecting you or your family's wellbeing. It may also be necessary to share with them information we have about you – we need your permission to do so.

The following are the agencies and people who generally are able to help. By completing and signing this form you agree to us using and sharing your information in this way, including the collection of your NHS number to help us provide efficient and targeted services to you.

- social services departments
- general practitioner
- hospital staff
- nursing staff
- community health staff
- friends/relatives
- housing department
- benefits agency
- others as relevant to your care

|---|--|
| Is there anyone you specifically do not want us to share your information with? | |
| Is there any particular information you do not want us to share with anyone? | |

We may need to share information about you without your prior consent in certain circumstances, such as in an emergency to protect your health and safety, or to assist the police with crime prevention. We will only share information without your consent when the law allows us to.

If you would like to change the permissions you have given us here, you must contact us so that we can update our records. We will discuss this again with you at your next review.
