How to buy and use visitors' vouchers

To buy and activate parking permit visitors' vouchers, you must have either a valid residents permit or valid visitors voucher authorisation.

Go to www.thurrock.gov.uk/parking-permits and follow the link for the type of permit you need.

Use the **'My Account – parking permits'** to login to our parking permits service.

You should then follow the steps below.

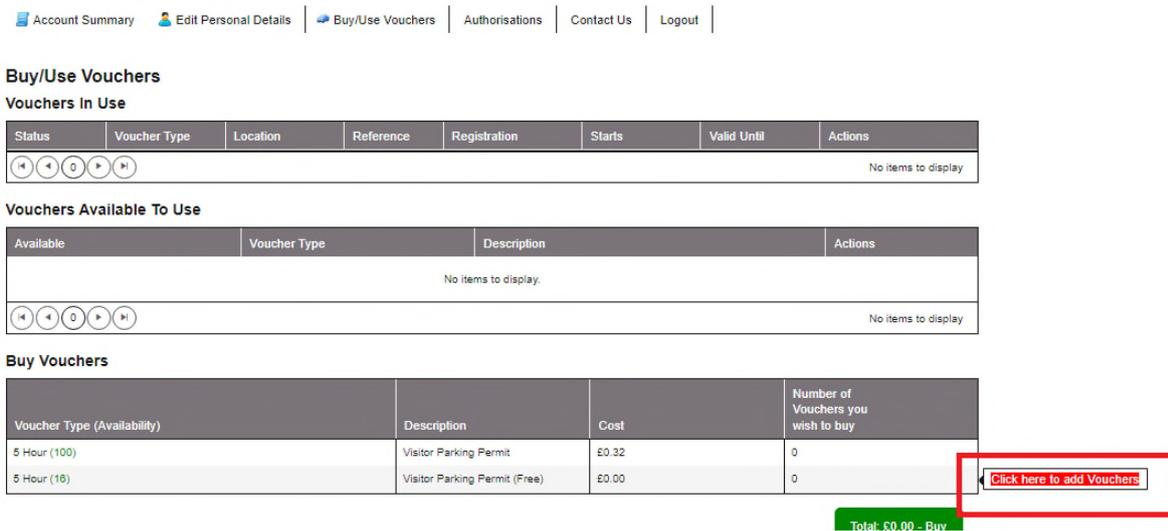

1. From the options near the top of the screen, select **'Buy/Use Vouchers'**.

2. You will be presented with a 'Buy/Use Vouchers' screen. If you already have any 'Vouchers In Use' or 'Vouchers Available To Use', these will be listed for you.

To buy new vouchers or claim your free vouchers, go to the table below the **'Buy Vouchers'** heading. In the first column, find the 'Voucher Type' you need, then in the last column enter the 'Number of vouchers you wish to buy' of that type.

You can claim a maximum of 9 vouchers at any one time.

The screenshot displays the 'Buy/Use Vouchers' page. At the top, there is a navigation menu with 'Buy/Use Vouchers' selected. Below the menu, the page is divided into three sections:

- Vouchers In Use:** A table with columns: Status, Voucher Type, Location, Reference, Registration, Starts, Valid Until, and Actions. The table is empty, showing 'No items to display'.
- Vouchers Available To Use:** A table with columns: Available, Voucher Type, Description, and Actions. The table is empty, showing 'No items to display'.
- Buy Vouchers:** A table with columns: Voucher Type (Availability), Description, Cost, and Number of Vouchers you wish to buy. It contains two rows:

Voucher Type (Availability)	Description	Cost	Number of Vouchers you wish to buy
5 Hour (100)	Visitor Parking Permit	£0.32	0
5 Hour (16)	Visitor Parking Permit (Free)	£0.00	0

At the bottom right, there is a green button labeled 'Total: £0.00 - Buy' and a red-bordered button labeled 'Click here to add Vouchers'.

- After you've entered the number of vouchers, the total cost will be shown in the button below the table with the word **'Buy'**. If you're entitled to claim the vouchers for free, this will show as **'Total £0.00 - Buy'**.

When you're satisfied that the number of vouchers you've chosen and the total cost are correct, use this 'Buy' button to go to the next screen.
