WITNESS STATEMENT OF ADEWALE ADESINA

I, **Adewale Adesina**, of Thurrock Council, Civic Offices, New Road, Grays, Essex RM17 6SL, will say as follows –

1. I am an officer of the First Claimant, Thurrock Council, in the role of ‘Senior Emergency Planning & Resilience Officer’. My role and responsibilities at the Council include co-ordinating the Council’s response to major and emergency incidents that occur with Thurrock Council’s administrative area.
2. I make this witness statement in support of the Claimants’ application to add further named Defendants to the Claim for injunctive relief. I am authorised by both the First and Second Claimants to make this statement on their behalf. I understand from the Claimants’ legal

representatives that this application is made ahead of a case management hearing listed to be heard on 19 April 2024.

3. The facts and matters set out by me in this witness statement are either known by me directly and are true, or are known by me indirectly and are believed to the best of my knowledge to be true. In relation to matters falling into the latter category, I have set out the source of my knowledge and belief. This statement was prepared through email correspondence with the Claimants' legal representatives.
4. There is exhibited to this statement a bundle of documents marked 'AA2'. Where I refer to documents contained in that bundle I do so in the format [AA2/exhibit number].
5. In this witness statement, I shall address:
 - i. Introduction and background;
 - ii. The proposed named Defendants;
 - iii. Update;
 - iv. Proposed directions.

Introduction and background

6. The Claimants bring this Claim pursuant to the Local Government Act 1972, s222 and the Highways Act 1980, s130(5). Thurrock Council ('**Thurrock**') is the Local Highway Authority for the Borough. Essex County Council ('**ECC**') is the Local Highway Authority for the County.
7. On 24 April 2022, the Claimants made an out of hours and without notice application for interim injunctive relief against (i) the 222 named Defendants set out at Schedule 1 to the Claim Form, and (ii) the seven categories of persons unknown. The Application was heard by Ritchie J, who made the Order at **AA2/1**.
8. In summary, the injunction order:

- i. restrains acts of public nuisance (that being the obstruction of the highway) in the administrative area of Thurrock (the ‘**Borough**’);
 - ii. restrains acts of trespass (and particularly the act of tunnelling under or adjacent to the highway) in the Borough; and
 - iii. restrains apprehended acts of public nuisance (that being the obstruction of the highway) and trespass in the administrative area of Essex County Council (the ‘**County**’).
2. Following the return date hearing, HHJ Simon (sitting as a Judge of the High Court) continued the injunction by way of the Order dated 27 May 2022, exhibited at **AA2/2**.
3. The final hearing of the Claim was adjourned by way of the Order of Foster J dated 26 January 2023, exhibited at **AA2/3**. That adjournment was ordered on the application of the Claimants given the imminent hearing of the appeal to the Supreme Court in *Wolverhampton City Council & Ors v London Gypsies and Travellers & Ors*, the outcome of which would almost certainly impact upon these proceedings.
4. The Supreme Court handed down judgment in the *Wolverhampton* appeal on 29 November 2023, upon which the Claimants wrote to the Court in accordance with the Order of Foster J. By way of the Order of Jefford J dated 20 December 2023, exhibited at **AA2/4** the Claimants were directed to make all additional applications (if any) required to enable the trial to take place by 27 March 2024. A case management hearing was listed for 19 April 2024 to hear any extant applications and set directions to the final hearing.
5. Accordingly, the Claimants make the application to add 33 named Defendants to the Claim, and seek directions to final hearing.

The proposed named Defendants

6. The Claimants apply to add 33 named Defendants to the Claim for injunctive relief. I understand that Essex Police will provide a witness statement explaining how these persons have come to be identified.

7. The persons who the Claimants now seek to add as Defendants were all arrested between 23 August and 4 September 2022 for alleged unlawful acts in connection with Just Stop Oil protests. I realise that it is now March 2024. However, the Supreme Court were clear in *Wolverhampton* that the Claimants must name those persons that they are able to, and this application is being made accordingly.
8. I understand from T/Detective Inspector Harriet Ware, who was involved in policing the August 2022 protests, that Warwickshire experienced similar protests from the Just Stop Oil group (there being an oil terminal in their administrative area also) in August 2022 also. I understand from T/Detective Inspector Harriet Ware that Essex Police observed that Just Stop Oil were operating in cells that they rotated between Thurrock and Warwickshire, such that protestors would not be caught by an injunction on which they were already named during the course of the August 2022 protests. Therefore, it is unsurprising that the August 2022 protests caused the Claimants to identify further named Defendants.

Update

9. Following the first wave of Just Sop Oil protests in April 2022, the Claimants experienced a second wave between 23 August and 4 September 2022. The conduct of the protestors in that period mirrored the tactics of the first wave, and included acts such as protestors obstructing the highways (including by gluing themselves to the road) and, perhaps more seriously, tunnelling under the highway.
10. In this regard, two tunnels were excavated and occupied by protestors at Stoneness Road and St Clements Way. These roads are the access roads to the oil terminals and adjacent industrial area.
11. Stoneness Road was closed because of the tunnelling, because the ground penetrating radar survey suggested that the tunnel was much bigger than it in fact was.
12. The road at St Clements way is a bridge, and the three protestors that occupied the tunnel between 23 August and 4 September had dug a hole in the embankment and into the bridge. The protestors had also then penetrated the surface of the road to ensure that the road would

need to be closed. St Clements Way is a single carriageway road. At the time, the ground penetrating radar survey suggested that the tunnel was not as big as it in fact was, and one lane of traffic remained open with the assistance of two-way traffic lights and restricted access, especially because Stoneness Road was closed and St Clements Way was the only remaining access road to the oil terminals and the industrial area.

13. I understand from Peter Wright, who is the Head of Highways Infrastructure at Thurrock, that the concrete backfill and reinstatement of St Clements Way cost Thurrock the sum of £8282. The whole incident at St Clements Way (including the backfill and reinstatement) cost the sum of £20,520.81.
14. On 24 August 2022, several protestors were arrested at the Esso Petrol station at the Thurrock motorway services as they were sitting in the access road to the forecourt, and the all of the petrol pumps were damaged with a hammer and spray paint. Five of those arrested were named Defendants on the injunction (D48, D51, D86, D102, D150), and they were subsequently arrested in custody under the power of arrest provided for in the injunction. Committal proceedings were then pursued and in November 2022, all five were sanctioned for admitted breaches of the injunction order (all five admitted obstructing the access to the forecourt, with one (D86) also admitting damaging the petrol pumps with a hammer and spray paint). All received suspended custodial sentences, with D86 also receiving a fine. A costs award in the sum of £21,500 was made in favour of the Claimants.
15. Since August 2022, and following the committals of the five protestors, there have been no major protest incidents in Thurrock. It would appear that the injunction, and the enforcement of the injunction (especially with the power of arrest), is effective in this regard.
16. Finally, I observe from Just Stop Oil's website that they are still active (and they in any event engaged in the disruption of several high-profile events in recent months). However, most worryingly for the Claimants, the group are now threatening to target airports with their protest (see: <https://juststopoil.org>). The county of Essex is home to London Stanstead airport, Southend airport and several smaller private airfields. Southend airport in particular is not that far from the oil terminals in the Borough and County, such that there is the threat of overspill of these protests.

Proposed directions

17. I understand from the Claimants' legal representatives that a draft directions Order will be provided to the Court.
18. When setting directions to final hearing, I respectfully ask the Court to be mindful that 262 named Defendants is an extraordinary number of Defendants, who the Claimants have had no choice but to name. Litigation of this size by the Claimants, who bring this Claim in the discharge of their public functions, is an enormous use of resource. Further, no Defendant has acknowledged service of or defended the Claim (although counsel for the Sixty-Third Defendant did attend the return date hearing in May 2022).
19. With the above in mind, the Claimants respectfully seek a timetable that affords the Claimants the opportunity to prepare the evidence for final hearing in an orderly fashion, whilst also facilitating the exploration of undertakings with the Defendants (if so advised).
20. Finally, the Claimants understand that the Seventy-Fifth Defendant, Xavier Gonzalez Trimmer, has sadly passed away. The Claimants are conscious that there is still technically an injunction granted against the late Mr Trimmer and, in so far as it is necessary to do so, the Claimants seek to discontinue the Claim and discharge the injunction against Mr Trimmer accordingly.

Statement of Truth

I believe that the facts stated in this witness statement are true. I understand that proceedings for contempt of court may be brought against anyone who makes, or causes to be made, a false statement in a document verified by a statement of truth without an honest belief in its truth.

Signed

Adewale Adesina
