Grays, Essex, RM17 6SL

Dear colleague,

Placement of Looked After Children in Thurrock

This letter sets out the process of notifying us of the placement of a looked after child or care leaver in Thurrock, information about accessing services and important contact information that will be relevant in any situation in which another local authority is considering placing a looked after child within the Thurrock area.

It is the responsibility of the placing local authority to formally notify the local authority and relevant Clinical Commissioning Group before a placement commences.

Please circulate this information to relevant professionals within your area. We hope that this information will help your professional staff understand and access the range of services that are available to children residing in Thurrock.

Consultation prior to placement

In line with the Care Planning, Placement and Case Review (England) Regulations prior to placement you will need to consult with us. This is important because we will have information about the local area that will help you decide whether it is safe or appropriate to make the placement or not.

Our Placements Manager with this responsibility is available on 01375 652 919 or 01375 659 790 or via email – ooaplacements@thurrock.gov.uk

When considering a placement you should take into account the Ofsted rating, Statement of Purpose, Local Area Risk Assessment and all other relevant information to enable appropriate matching and safeguarding.

Notification of placement / placement move or end

Once the decision has been made to place a child in Thurrock and after consultation has taken place formal notifications should be sent to the following email address – ooaplacements@thurrock.gov.uk or by phone on the above two telephone numbers, or if out of hours on 01375 372 468.

Placement moves or ending a placement should be notified in the same way.

For new placements we will need the following information which should be sent via your own Local Authority standard form. **All information must be provided.**

- The child's full name and any aliases
- Date of Birth
- Gender
- Placing authority
- Social Worker and IRO name and contact details
- Emergency details for home authority
- The child's legal status
- **Whether this is notification of a new placement, a change (including placement move) or end of placement**
- Date placement started or date due to change or end
- Carer / placement type (foster carer, children's home or other)
- Carer contact details including address
- Particular needs or risks to the child such as child sexual exploitation, missing episodes, SEN, disability, youth offending, mental health needs etc.
- School name and address (old and planned new school if known)
- GP details (old and/or new if known)

Services available for Looked After Children

Education

School admissions

Admissions arrangements for all schools in Thurrock include priority for looked after children. The Council seeks to ensure schools for which it is not the admission authority comply with the requirements of the School Admissions Code.
