2023/24: Education services for deaf children and young people

NAME OF LOCAL AUTHORITY: Thurrock

This is a request for information under the Freedom of Information Act. Please confirm that you have received this request.

The National Deaf Children's Society (NDCS) works with central and local government to ensure deaf children get the help they need to learn. In this FOI we are interested in decisions relating to education services for deaf children and young people. This is part of a request across the UK and the Channel Islands, using a standardised format to ensure consistency.

The information requested relates to:

- Peripatetic services which you centrally manage and deliver
- Peripatetic services which you delegate in their entirety to a school or a private provider
- Resource Provisions which you centrally manage and deliver

We are not interested in Resource Provisions which are delegated to schools or private companies to provide.

Please answer ALL the questions by typing into the yellow sections only (section will expand as you type). If the information cannot be provided in whole or in part, please justify all omissions by reference to the specific exemptions of the Act.

I look forward to your response promptly but no later than 20 working days. Please email to localengagement@ndcs.org.uk .

Kind regards,

Martin Thacker, Deputy Director Local Engagement, The National Deaf Children's Society, London EC2A 4LS
