Dear Members

Welcome and I look forward to meeting you at the member induction on Wednesday.

For information, I have attached the members training schedule for 2023/24, please also note the mandatory sessions. As a new member you would be expected to attend as many of the training sessions as possible, specify training for planning and licensing will be for those members on those committees. This will be agreed at annual council on the 24 May.

If you have any questions or require any clarification please do let me know.

Kind regards

Member's Meet & Greet - Evening Session

Dear Members

Following the successful member induction session held this week, to ensure that all members have an opportunity to attend a "Meet & Greet" session, we are offering an evening session for those members who were unable to attend on Wednesday. This will be an opportunity to meet with the Senior Leadership Team and officers for all directorates.

Would you please indicate by return of email whether this is something that you would be interested in attending? The date we are proposing is the 12 June, 7pm to 8pm.

I look forward to hearing from you.

Kind regards
