HSF5 Anticipated volumes

Notes
The totals cells which autopopulate have been greyed out and locked for editing. Please only input into the blue cells.

Please only input whole numbers. If any other format is input an error message will appear.

The traffic light system will help you ensure the template is completed in full. **For the return to be compliant, all traffic lights must be green with a white tick.**

If there are no anticipated volumes to report, in order to enable the green light with white tick next to each table, the cells should still be completed with 0 (zero as a numerical value rather than typing out 'NIL', for example).

The acronym FSM used in the tables below refers to Free School Meals.
